On June 21st he will attend a preconstruction meeting with REC Solar. The Dedication Ceremony is set for June 25th and will include tours of the new facility for interested attendees.

President Enns commented that for the Groundbreaking Ceremony in August 2018, maps were provided to the public to identify the locations of the various planned buildings. These exact same maps will be used for the Dedication Ceremony, as the plans stayed consistent throughout the entire process.

CAYUCOS SANITARY DISTRICT

TO: BOARD OF DIRECTORS
FROM: RICK KOON
DISTRICT MANAGER
DATE: AUGUST 11, 2021
SUBJECT: DISCUSSION AND CONSIDERATION TO ISSUE A GRANT OF LICENSE FOR 3526 GILBERT AVENUE (064-407-008)

DISCUSSION:

The District was contacted a few months ago by the owner of 3526 Gilbert, Mr. Singh-Kaler, asking for the location of the District's sewer easement on his property. He was told the 10-foot easement is located across the rear, downhill, portion of the lot.

Just last month, the District was contacted by the owner's contractor, Joe Clark. He had contacted the County regarding the permit process for a new deck. The County referred him to the District as the proposed deck is located within the District easement. During the discussion with Mr. Clark, we also identified the existing decks located within the easement. I asked for a plot plan showing all existing encroachments within the easement.

The plot plan shows a lower-level deck, a set of stairs and a second story wrap-around deck with supports, all encroaching into the easement. (See plot plan attached.)

The District returned the plot plan marked up with the District requirements for construction within our easements. (See plan attached.) It was at this point that Mr. Clark asked to speak to the Board.

In discussions with the County, the existing improvements within the easement are considered non-conforming, non-permitted use.

The District has no record of a Grant of License being issued for this property and no Will-Serve Application has been filed .

The discussion of non-permitted, non-conforming uses within District easements encompasses many lots in the District, mainly affecting the District's easements located on the downhill back of lots. The Board should not set a precedence by allowing new construction within District easements without issuing a Grant of License for existing uses or by taking action to have existing encroachments removed.

RECOMMENDATION:

Staff recommends that the Board take no action on the Singh-Kaler Grant of License. Additionally, it is recommended that the Board direct staff and Legal Counsel to report back at a later date with recommendations for non-conforming, non-permitted uses within the District's easements. The recommendations shall consider removal of encroachments or issuance of Grants of License with consideration of the type, condition, and replacement of the District's infrastructure within each easement.

Cayucos Sanitary District Introduction to Districting or “Divisioning”

Election Systems

1. “At Large”
2. “From Division”
3. “By-Division Area”

**The California Voting Rights Act
was written to specifically encourage
by-division elections.**

California Voting Rights Act (CVRA)

- Under the Federal Voting Rights Act (passed in 1965), a jurisdiction must fail 4 factual tests before it is in violation of the law.
- The California VRA makes it significantly easier for plaintiffs to force jurisdictions into “by-district” election systems by eliminating two of the US Supreme Court Gingles tests:
 - ~~■ Can the protected class constitute the majority of a district?~~
 - Does the protected class vote as a bloc?
 - Do the voters who are not in the protected class vote in a bloc to defeat the preferred candidates of the protected class?
 - ~~■ Do the “totality of circumstances” indicate race is a factor in elections?~~
- Liability is now determined only by the presence of racially polarized voting

CVRA Impact

- Switched (or in the process of switching) as a result of CVRA:
 - ▣ At least 240 school districts
 - ▣ 34 Community College Districts
 - ▣ 154 cities
 - ▣ 1 County Board of Supervisors
 - ▣ 35 water and other special districts.
- Cases So Far:
 - ▣ Palmdale, Santa Clara and Santa Monica went to trial on the merits. Palmdale and Santa Clara lost. Santa Monica is awaiting a decision.
 - ▣ Modesto and Palmdale each spent about \$1.8 million on their defense (in addition to the attorney fee awards in those cases).
 - ▣ Santa Monica has spent an estimated \$7 million so far. Plaintiffs in Santa Monica requested \$22 million in legal fees after the original trial.
- Key settlements:
 - ▣ Palmdale: \$4.7 million
 - ▣ Modesto: \$3 million
 - ▣ Highland: \$1.3 million
 - ▣ Anaheim: \$1.1 million
 - ▣ Whittier: \$1 million
 - ▣ Santa Barbara: \$600,000
 - ▣ Tulare Hospital: \$500,000
 - ▣ Camarillo: \$233,000
 - ▣ Compton Unified: \$200,000
 - ▣ Madera Unified: about \$170,000
 - ▣ Hanford Joint Union Schools: \$118,000
 - ▣ Merced City: \$42,000
- An estimated \$16 million in total settlements and court awards so far.

TO: BOARD OF DIRECTORS

**FROM: RICK KOON
DISTRICT MANAGER**

DATE: AUGUST 11, 2021

**SUBJECT: DISCUSSION AND CONSIDERATION OF NOMINATION FOR AN
ALTERNATE REPRESENTATIVE ON THE IWMA BOARD OF
DIRECTORS**

DISCUSSION:

The local California Special Districts Association (CSDA) chapter received a letter from Integrated Waste Management Authority (IWMA) regarding the Community Service District (CSD) representatives on the IWMA Board. The CSDA Board of Directors met to discuss implementing the process in place for selecting representatives to the IWMA Board, and in particular the current vacant alternate representative position.

As a result, our local CSDA chapter is requesting nominations for the alternate representative from the CSDs which have solid waste powers.

The alternate representative will serve until their current term expires at the end of 2022. The timeframe is that nominations are due no later than September 15th.

Any nominee shall email the CSDA chair a brief statement (no more than one page) of their qualifications and why they should be elected.

If there is more than one nomination, then voting will take place with ballots due no later than October 31st.

RECOMMENDATION:

Staff recommends that the Board take no action in considering nominating a Board member as an alternate representative to the IWMA Board, as we already have Board President Robert Enns as the CSD'S Representative to the IWMA Board.

CAYUCOS SANITARY DISTRICT

TO: BOARD OF DIRECTORS

FROM: RICK KOON
DISTRICT MANAGER

DATE: AUGUST 11, 2021

SUBJECT: DISCUSSION AND CONSIDERATION TO REALLOCATE THE
CAPITAL PROJECTS BUDGET

DISCUSSION:

The approved FY 2021/2022 Capital Projects Budget has sewer main repairs at \$55,000 and a forklift for the Treatment Plant for \$45,000.

Staff has researched different types of equipment that would best fit the needs and uses at the plant. It became evident that a Track Loader/Skid Steer would be best.

Staff contacted several distributors and received pricing on used and new equipment that included forks, a mower attachment and had the lifting capacity that we need for placing our chemical totes.

After careful review, staff would like to purchase, for \$75,000, a new Caterpillar Compact Track Loader. It has an enclosed cab for mowing and comes with forks for lifting.

The additional money would come from reducing the sewer main repair line item so the overall approved CIP Budget will not change.

RECOMMENDATION:

Staff recommends that the Board approve the reallocation of the FY 2021/2022 Capital Projects Budget.
