3. DISCUSSION OF STRATEGIC PLANNING FOR THE DISTRICT

Manager Callahan's written report and information received at a strategic planning seminar were received. He recommended strategic planning commence in January 2012 to allow planning and/or progress on several capital projects slated in the current fiscal year. Board members concurred and further discussion was deferred until that time.

4. CONSIDERATION TO CHANGE INVESTMENT TERM FOR CERTIFICATES OF DEPOSIT FROM ONE-YEAR TERM OF INVESTMENT TO A TWO-YEAR TERM MAXIMUM

ASO Brookins written report was received. He reported he discussed possibilities for maximizing returns in the current lackluster market with District Investment Advisor Karen Shanley. District policy allows a maximum one-year term for Certificates of Deposit (CDs). Brookins asked the Board to consider extending the allowable term to up to two years. Additionally, regulatory codes and District policy stipulate that Certificates of Deposit cannot comprise more than 30% of total District assets. Board members discussed investment in another \$250,000.00 CD, which would be within the 30% limit.

MOTION: First by Fones with second by Lyon to extend the maximum term on Certificates of Deposit from one year to up to two years at the time of rollover, at the discretion of the Administrative Services Officer (ASO), and to authorize ASO Brookins to invest up to \$250,000 in idle reserves in an additional Certificate of Deposit. VOTE: 4-0
